FAO Mr John P Psarianos

Re: Demonstration of Matacryn PUMA Waterproofing Materials

Dear John

I confirm that the persons noted below were present on Friday 17th July 2015 and received initial training and instruction with regard to our Matacryn PUMA Waterproofing Materials.

Initial training covered product identification and usage, description of chemistry type, HSE requirements, material pre-mixing, adjustment of product dependant on temperature, expected curing times, non-compatible products, application of product and cleaning following application.

John P. Psarianos
Slawomir Slaby
Hector Ankrah
Jacek Gradowski
Zbginiew Gradowski
Fernando Teixeira
Gilberto De Souza

Yours faithfully

Gavin Mitchell
